

**OUR EUROPEAN LITERARY ROUTES
SECOND VIRTUAL MOBILITY –ROMANIA
21, 22, 23 March 2022**

MONDAY, 21st March 2022

- Romania will start with presentations about the city, school and country
- The students from every country will present themselves
- Each country will present the works , related to a story that they have designed, about a personality/ important location or event in their region/school etc.
- Discussions between students

TUESDAY, 22nd March 2022

- Each country will present a literary story in its original format and the re-written version of it.
- The students will listen to some songs (each country prepares a song) and the students discuss about the main idea of each song. From this activity, the students are invited to discuss freely about some connections between the songs and how they feel about their message.

WEDNESDAY, 23rd March 2022

- Kahoot game with questions from presentations (2-3 questions from each country)
- Romania will present some news about the immigrants from Ukraine /social situation
- Discussions/debate about European values/NATO/ current situation in the world. Italy will give some guided directions for the discussion.
- The debate will be followed by a creative writing activity . Each country will write a poem , including the reflections that they had during the debate. At the end each country will present the poem and draw conclusions related to the virtual experience that they had.
