

High School "Raffaele Casimiri"

School logo

Our school starts at 8:00 a.m. and finishes at 13.40 p.m.

Italian school system

**Nursery school
age 3-5**

**Primary school
age 6-11**

**Middle school
age 11-14**

**High school
age 14-19**

University

Our school is dedicated to **Raffaele Casimiri**, a cultured Minister born in Gualdo Tadino on the 3rd November 1880, who was a famous musicologist and composer of sacred music in Italy and abroad.

***Raffaele Casimiri**
(Gualdo Tadino, 3
november 1880 - Rome,
15 april 1943)*

There are about 600 students in **2 separate buildings**

Viale Don Bosco, 31, 06023 Gualdo Tadino PG (it hosts students from the third to the fifth year)

Via Flaminia, 06023, Gualdo Tadino PG (it hosts students from the first to the second year)

The school offers various fields of study: **Scientific High School**, which guarantees a complete culture by preparing for the university; not only scientific subjects are studied, as Mathematics, Science and Physics gives ample space to humanistic culture by studying Philosophy, History and Latin.

Science Laboratory

Physics and chemistry Lab.

Then there is the **High School of Applied Sciences**, in which scientific and computer science disciplines are reinforced with greater laboratory experience.

Computer Lab.

Another option is the **Language course** where, apart from English, French and German are studied; this course focuses on the languages experienced abroad through projects (Erasmus), Cambridge course and cultural exchanges.

Language Lab. (REVOX)

Foreign trips and cultural exchanges
