

## **I WAS**

*I was free like a butterfly,  
it was like i could touch the sky,  
I was thoughtless  
I didn't live in the emptiness.  
I was without fears  
and I couldn't shed any tears.*

## **I AM**

*I am The field flower,  
into the winter storm,  
a future dawn.*

## **I WILL BE**

*I will be dead or alive,  
who knows, I don't lie*
